

## MISSION

Field Hospital X is a place where silenced voices can be heard and social injustices can be seen. It is a mobile, international institution that offers its services in different venues around the world.

## VISION

Field Hospital X supports and produces Care-Kits in collaboration with international artists. It continues to develop new facilities that offer a safe place where personal stories about social injustices can be heard and seen.

## MANAGEMENT

**AYA BEN RON**  
FHX Founder and Director

Multidisciplinary artist. A professor at Haifa University and Hadassah Academic College, Jerusalem, Israel. Her work ranges from site specific projects and installations to moving-image, documentary and film, and includes collaborations with medical institutions and hospitals.

**AVI LUBIN**  
FHX Curator

Curator and writer in the field of contemporary art. Curator of Hamidrasha Gallery – Hayarkon 19 and founding co-editor of Tohu Magazine – a trilingual online art publication (Hebrew, Arabic and English). The head of theoretical studies of the Postgraduate Program of Fine Art at Hamidrasha, Beit Berl College (2014-2019).

**MIKI GOV**  
FHX Producer

Producer of performing and visual arts. He has produced numerous events in the fields of music, dance, theatre, arts and television. Additionally, Gov has initiated, arranged and managed international tours of dance groups and musicians.
